

# *2020 Leadership Summit*

## School Announcement

Here's an awesome GEAR UP opportunity!

GEAR UP Georgia students can apply to participate in a 3-day/2-night student leadership summit to be held at the University of Georgia Center for Continuing Education and Hotel on March 6-8, 2020.

You'll get to work on campus, develop your leadership skills, learn more about college access and success and meet other GEAR UP students from across the state. Two students from each GEAR UP Georgia cohort school and two students from each priority district will be chosen to attend. If you want to go, complete the Student Leadership Summit application, no later than December 10th.

The application is competitive, but selections are NOT based entirely on grades. We're looking for students who are eager to learn more about college, have demonstrated leadership skills and have participated in GEAR UP sponsored events.

For more information, see your school's GEAR UP school coordinator, **<insert coordinator name>** or visit the GEAR UP Georgia website at [www.gearupgeorgia.org](http://www.gearupgeorgia.org)
